

Book Savers™ Book Cover Instructions

**step
1**

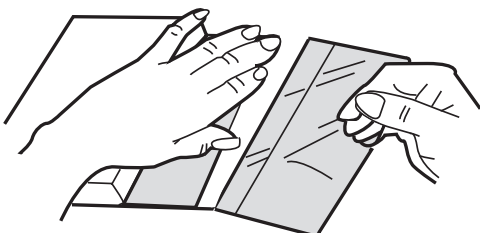

Slip front cover (of closed book) backwards into the front pocket while holding Book Saver in place on table.

**step
4**

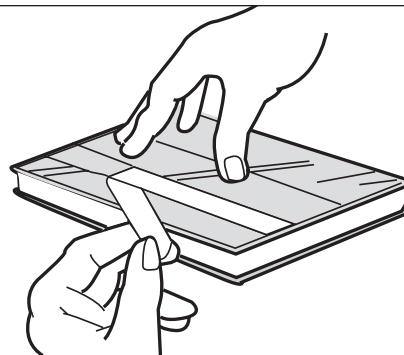

Wrap adhesive end portion snugly around spine of (closed) book.

**step
2**

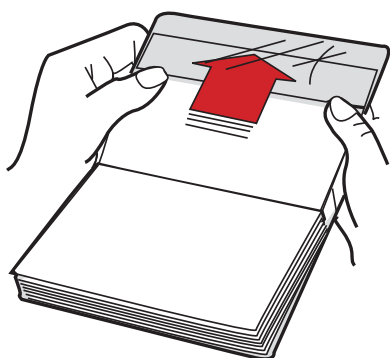

Crease cover along break-away score line and separate back pocket in a brisk pull from the top.

**step
5**

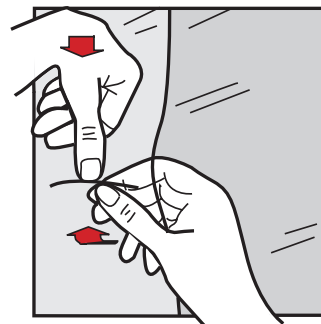

Pull out adhesive liner strip while holding overlaying end in place.

**step
3**

Slip back cover of book into back pocket by feeding it in evenly with thumbs...or by sliding it in as in Step 1

**step
6**

(Optional) To open card pockets push thumbnail (thumbs down) into center of convex groove. Grasp pocket directly below thumb and lift up.
